MEMORANDUM FOR: Director of Central Intelligence  
 FROM: Director, Office of Legislative Liaison  
 SUBJECT: Weekly Report

ITEMS OF INTEREST1. Intelligence Authorization Bill

The House appointed its conferees this week. They consist of all the Members of HPSCI plus Mr. Mazzoli to represent the Judiciary Committee.

25X1

the inclusion of some language on National Strategy guidelines seems likely; and there will be a one-year requirement to give prior notice on military transfers to foreign countries. Conferees probably will not meet until 6 November.

2. Retirement Legislation

SSCI and Senate Governmental Affairs staffers were briefed on a proposed amendment to the Stevens-Roth bill which would create a CIA retirement system covering all Agency employees. Senators will be briefed shortly. We expect this bill to come to a vote in the Senate within the next two weeks.

FUTURE ITEMS2. SSCI Counterintelligence Hearings

On Wednesday, 30 October, the DCI will be the lead witness in the first of five SSCI hearings on Community counter-intelligence programs and issues.

## 3. All other matters are contained in the attachment.
